**DETAILED ACTION**

*Allowable Subject Matter*

1. Claims 1-16 are allowed.
2. The following is an examiner's statement of reasons for allowance:

***Regarding claims 1, 7, 13,*** the prior art of record considered alone or in combination neither anticipates nor renders obvious a method for generating a graphical representation of call-specific data in a wireless network in conjunction with Comarco and Hughes equipment, said method comprising: performing a first phone call using said Comarco equipment performing a second phone call using said Hughes equipment to perform an RF call wherein said second set of data includes at least a time element of said second phone call; combining said first and second sets of data; and processing said combined output file in a thematic mapping software program to provide a graphical representation of said combined output file.

The prior art of record provided numerous teachings of representation of call-specific data in a wireless network. However, the prior art of record failed to specifically disclose the use of Comarco and Hughes equipment, said method comprising: performing a first phone call using said Comarco equipment performing a second phone call using said Hughes equipment to perform an RF call wherein said second set of data includes at least a time element of said second phone call; combining said first and second sets of data; and processing said combined output file in a thematic mapping software program to provide a graphical representation of said combined output file.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
